PRISON ENGLISH

Question: If an inmate says "Willie has always lived on Front Street with me" what does he mean? See page 2 for answer.

THE TWO SIDES OF FORGIVENESS ADVANCED WORKSHOP ON FORGIVENESS

All of us have experienced the feeling of being hurt by those close to us, the feelings of hatred that we sometimes have toward others and the guilt that results from having done things that have caused friends and loved ones to feel hurt. The workshop will deal with the two sides of forgiveness: forgiving those that have hurt us and dealing with the guilt resulting from our actions toward others (forgiving ourselves).

The first workshop on the topic of forgiveness will be held at Purchase Meeting House on the weekend of May 2-4, 1986. The AVP State Education Committee has prepared this special program at the request of inmates and AVP Trainers. The lead trainer will be Ellen Flanders and she will be assisted by other members of the committee including Mary Gray Legg, Nancy Nothhelfer and Anna Lamp.

Fran Salant has agreed to coordinate the food for the weekend and will be contacting Quaker Meetings in the area. Perhaps you are the member of a meeting that would like to help with the food.

Caroline Lane has agreed to serve as the registrar for the workshop. To reserve your space in the workshop, please send the registration form from the enclosed 'flyer to her.

AVP LEADERS TRAINING IN NEW YORK RESCHEDULED

If you have friends that would like to become AVP leaders, they will have another opportunity to take the training this spring. The Basic Community Workshop originally planned for February has been rescheduled in May. It will be held on the weekend of May 16-18 at the Friends Center on 15th Street in Manhattan. Please call Anna Levy at 718 793-6220 if you or a friend wish to register.

AVP SUPPORT GROUP FOR THE HOMELESS

Homeless ex-offenders have special problems in adjusting to the outside world. At the march Area Council Meeting, Audrey Lopes, a staff member of the homeless shelter at Grace Church in White Plains, will talk about these problems. She would like to explore the feasability of an AVP Support Group for these ex-offenders.

"VIOLENCE - CAN IT BE CONTROLLED?"

The Westchester Alliance for Criminal and Juvenile Justice is holding a special program on the subject of violence. It will be a luncheon meeting from 12:00 to 2:00 PM on Friday, March 21 at the White Plains Public Library.

The keynote speaker will be Dr. Arthur B. Zelman, Medical Director of the Center for Preventive Psychiatry and he will speak on "Understanding Violence". This will be followed by a panel discussion covering three areas: Domestic Violence, Television Violence and the Alternatives to Violence Project. Fred Feucht will speak about AVP.

If you would like to reserve a place, please send a check for \$5.00 to the Westchester Alliance, One Prospect Ave., White Plains, NY 10607.

MEDIATION LEADERS TRAINING IN YONKERS RESCHEDULED

Mediation is a rapidly growing area of conflict resolution and is a positive alternative to "going to court". If you would like to work with one-on-one conflict resolution, perhaps becoming a mediator is for you.

The Mediation Training Workshop originally scheduled for February has been changed to April. The program will be led by Chris Owens and will be held at the West-chester mediation center of Cluster in Yonkers. They are looking for people that are willing to make a commitment to conducting mediation sessions. The workshop sessions are as follows:

Wednesday, April 9 6:00PM to 9:30PM Saturday, April 12 10:00AM to 5:30PM Wednesday, April 16 6:00PM to 9:30PM Saturday, April 19 10:00AM to 5:30PM

Call the Westchester Mediation Center at 914 963-6500 if you wish to register.

WORKSHOP FOR HEAD START LEADERS

After taking the AVP Basic Workshop last June, Carol Dowdy felt that AVP would give her leaders a real head start in dealing with conflicts. Carol is the director of the Head Start Program in Westchester.

Fran Salant and Virginia Auster are working with Carol in planning a one day workshop for her leaders. The program is tenatively scheduled for April 10, from 10:00AM to 5:00Pm at Purchase Meeting House.

PRISON ENGLISH

Answer; No, Willie does not live in a house on Front Street, he has always been honest and up front with his friends about his feelings and actions.

APRIL EDUCATIONAL PROGRAM

Our two special leaders for the April Educational Program and Pot Luck Supper will be Jim O'Brien and Anne Wright. Jim will tell about his experiences with Habitat for Humanity and Anne will show how to use music and group singing in AVP Workshops. Anne has promised that she will teach even the most tone deaf and gravel voiced of us to lead group singing.

There will also be time for Light and Livelies and sharing experiences from prison workshops. The program will be held at Purchase meeting House on Sunday, April 20, starting at 4:00PM with the pot luck supper at 6:00PM.

AVP AT MERCY COLLEGE

Fred Feucht will speak to two classes in the Criminal Justice Program at Mercy College on March 6. This is a step in our program to recruit college students as interns for AVP. The arrangements were made at the request of Dr. Joseph Victor, Coordinator of the Criminal Justice Program.

Forgive me for stepping on your toes...

LETTER TO AVP FROM AN INMATE AT BEDFORD HILLS

"The Alternatives to Violence Project should be a part of the school's curriculum at an early age. I firmly believe it will help to motivate children's learning abilities. It will also help them to develop a 'get high on yourself' happy feeling naturally instead of turning to alcohol and drugs.

AVP is a way that will make one more aware of themselves, be able to help and reach out for help before a crisis. To know that someone is there to rely on and can lead us back to reality instead of getting high, or pretend to oneself as an escape from our frustration.

We have a lot of loners in our society; people go their separate ways; doing their so called own thing. Some of us don't know our next door neighbor, while others become withdrawn with isolation and get stucked in depressive moods.

AVP is needed in our communities to get to know myself and my neighbors too. It will help us to fulfill the commandment "Love ye another and thy neighbor as yourself."

> Bernice Price January 3, 1986

Bernice was a participant at the Basic AVP Workshop held at Bedford Hills on January 4-6. The article was submitted by Pris Prutzman. Perhaps, there are other AVP leaders that have other stories and letters to share from workshops.

WORKSHOP LEADERS NEEDED

More facilitators are needed to lead prison workshops, especially at Sing Sing and the Westchester County Jail. Please call Fred Feucht if you can help. A complete list of workshops is found on page 5.

PERSONAL NOTES

Larry Apsey is up and around again after a very serious illness. In the middle of the night on January 8, Larry was struck with a heart attack and then a week later, he suffered a second attack on January 15. As if this were not enough, he has a mild stroke following the second attack resulting in a numbness in his left hand. Fortunately, this cleared up with no lasting effects.

In spite of his ordeal in intensive care, Larry is at home and recovering well. As Virginia Apsey says "You just can't keep a good man down." Larry is in good spirits but with all his clean living, he is puzzled about why it happened. He has a low chlosterol level, has never smoked and is hardly overweight. Larry thanks all the members of AVP for their letters and cards.

Jim O'Brien is working to build a
Habitat for Humanity project for nineteen families on the Lower East Side of
Manhattan. As you may know, former
president Jimmy Carter is one of the
moving forces behind the habitat for
Humanity program and worked on a project in the South Bronx last year.

Jim O'Brien is working with the nineteen families who will live in the project to build a sense of community and is also coordinating the efforts of volunteer workers on the weekends. In addition Jim has found time to lead an AVP Workshop at Taconic in April.

Jane Shapiro is enjoying her stay at the Abode, a Sufi community in New Lebanon, New York and is very busy with her work. She divides her time between a crisis intervention center and a home for the mentally retarded.

Terri Wilkinson is a neighbor of Jane Shapiro at the Kripalu Institute in Lennox, Massachusetts. Terri finds her stay in the Yoga community one of the

PERSONAL NOTES (CONTINUED)

most satisfying and fulfilling experiences life. She works in the administrative office of the 250 member community planning retreats and celebrations.

Henry Johnson and Milton Battles, two inmates who took the AVP training at Sing Sing, were recently featured in a lengthy article in the New York Times entitled "At Sing Sing, a Poets' Corner Thrives." Henry says that he is "not a prison poet but a poet who happens to be in prison at this particular time". As an example of his work, he concludes his poem about the blues musician, B.B. King with the lines "You began to croon the blues so sweet your tongue melted, forcing you to hum the rest of the words."
